In attendance: Clerk & RFO Phil Burgess.

Public Session: Five members of the public were present. The following issues were raised.

Dene side/Hillside Junction Overgrown hedges were obscuring the sight lines on the junction between these 2 roads. *Action: Clerk to view hedges around nos 2, 17 and 19 Hillside (some of whom had already been approached by Cllr Greenway) and issue letters requesting cutback. ESCC will enforce if no action taken.*

Jevington/Crowlink/A259 Junction Again the issue of safety here was raised for both pedestrians and vehicles. The chair had recently been the victim of a shunt at this junction. Cllr Shing addressed this in his report below. A speed limit on the Jevington Rd and a roundabout was suggested.

Boundary Issues A dispute over the border between the Bowls Club and Maryfield, Friston Hill was brought to council's attention. The Bowls Club had been assessed as not suitable for designation as a local green space (LGS). The resident of Maryfield felt that this should be re-considered owing to the excellent views and wildlife diversity. *Action: Clerk to check qualifying conditions for LGS sites and advise resident.*
