

IMPORTANT ROADWORKS INFORMATION

25 March 2026

Friston Hill, East Dean

Dear Resident / Business owner,

Balfour Beatty is working in partnership with East Sussex County Council to manage the highways service across East Sussex. As part of this we will be carrying out repairs on the A259 Friston Hill, East Dean.

When do they start?

The work be will carried out on **Wednesday 15 to Thursday 16 April 2026** between 9pm and 4:30am.

We will inform you of any changes to the dates or times via advanced warning signs on site.

What does the work involve?

We'll be carrying out repairs to and replacing road studs (cats eyes) to improve safety for road users.

How will this impact highway users?

We'll be working between the junctions of Jevington Road and Michel Dene Road.

The road will be closed to through traffic with a diversion route in place via the A259, A26, A27, A2270, A259 & vice versa.

If you're a resident and need vehicle access, please speak with the team on site. Please be aware, there may be a delay while we make the area safe, and your vehicle is escorted by site marshalls. There will be no through road for vehicles.

Information for residents and businesses

Public transport: There will be no access for public transport through the closure area. Impacted bus services will be providing shuttle services.

Parking: We will put out 'no parking' signs and cones on the site to advise where parking is restricted. Please avoid parking in these locations as it will delay our works.

Weather: All of these works are subject to favourable weather conditions, for example heavy rain may affect the progress of the works.

Properties close to the carriageway may experience a temporary disturbance as this can be a noisy process and those properties may experience flashing lights and reversing sirens.

We would like to take this opportunity to apologise in advance for any inconvenience or disruption this work may cause, however this forms part of our continuing improvement for the East Sussex highway network.
