

Jevington Road, Jevington Carriageway works

Following surface dressing, we will be returning to install road markings and road studs.

 **Monday 24 November to Thursday 4 December 2025** between 7pm and 6am, with no weekend working.

We will be working between the A259 and Wayfaring Down.

During the above times, access will be restricted to residents with traffic diverted via Wannock Road, A2270, A259 and vice versa.

Should you need access, please approach the closure point and speak to the site team. This is for access only and there will be no through route. There may be a short delay while we make it safe for you to pass, and your vehicle will be escorted by site marshals.

Access for emergency vehicles will be maintained at all times.

Thank you for your patience while we carry out these improvements

How will you be affected?

Buses: Any affected bus services have been informed and will be diverted.

Noise: Properties close to the carriageway may notice some noise, flashing lights, or reversing sirens. We will do our best to keep this to a minimum.

Parking: 'No parking' cones will show where parking is restricted. Please avoid parking here as it will delay us.

Weather: All works are subject to weather conditions. If it rains or is too hot, it may affect progress.
