

Household waste recycling sites booking system

Useful information:

With the October half term coming up, we wish to remind residents how they can book a slot at household waste recycling sites ahead of busier periods this autumn.

Call to action:

Background

The booking system was introduced in November 2025. The system requires residents to book a time slot up to two weeks in advance of their visit. They can do this online or by phone.

The booking system has been successfully adopted, although some residents still have negative views towards it. As we approach a year since the launch, we are keen to remind residents that they can book online (the most convenient way) or by phone if they prefer.

Don't forget! You now need to book a slot before visiting a household waste recycling site. The system helps to reduce queuing at peak times, as well as supporting fair access and preventing misuse of sites. Book your next visit online or by calling 0345 60 80 194. Please note telephone bookings can only be made between 8.30am and 5pm Monday to Thursday and 8.30am to 4.30pm on Fridays. Simply choose a time convenient for you – either on the same day, or up to two weeks in advance.

Find out how to make a booking on East Sussex County Council's website.
