Title:	Report Item 9 – Replacement seat on the Greensward
By:	Cllr Stewart Fuller
Purpose of Report:	To consider replacing the damaged memorial seat on the Greensward
Recommendations:	To APPROVE the purchase of a replacement memorial seat for the Greensward

Some time ago the Gardening Club acquired a memorial bench seat for siting on the Greensward. The ownership of the seat was subsequently passed to the Parish Council to be added to their seat inventory, and for future maintenance.

Recently the seat on the Greensward was damaged beyond repair and removed by the Gardening Club as it was in a dangerous state. The cause of the damage is unknown.

A replacement memorial seat is now required and it is proposed that this be funded by the Parish Council. The likely cost is in the region of £400. The Gardening Club will affix plaques to the seat as previously. Contributions towards the cost have been offered by both the Gardening Club and the Residents' Association.
