Title: Report Item 3 - Litter bins

By: Cllr Phill Hill

Purpose of Report: To consider purchasing three additional Leaffield high capacity litter bins

Recommendations: To APPROVE the purchase of three additional bins

Paul Seeley and I reviewed the new bins on 7th July as the new one at the South (East Dean) bus stop is badly overflowing despite being twice the size of the old one. The 2 bins by the Village Hall are both full so we cannot take one from there.

We would like to again order at least one new bin [1 x lockable Pioneer high capacity bin with seagull flaps in Racing Green].

We appreciate that there is no ordinary PC meeting in August but we need to order and pay for this quickly as delivery is about 3 weeks. The price last quoted was £338.17 plus VAT, per bin. There is no remaining budget for litter bins in 2017/18, but the council is requested to approve this additional item as unbudgeted expenditure. The Budget report prepared for the first quarter of this financial year is being re-circulated with this report.
