Title: Report Item 5 – Media Policy

By: K Larkin (Parish Clerk)

Purpose: To note an updated Media Policy briefing by NALC

Recommendations: To approve the adoption of a new Media Policy based on the NALC Example

After a recent meeting of the parish council Planning Committee, it emerged that a member of the public who was present had made a partial audio recording of the meeting.

Such recording is permitted under the council's Standing Orders 3(l) and (m) and the permission is underpinned by statute. All the council's proceedings are public and may be recorded except in unusual circumstances where the council resolves to exclude the public from a particular item of business for legal reasons.

However, the council has not made a practice of recording its own meetings, and there is no expectation among residents that recording will be taking place. The Council's current Media policy does not discuss the issue of recording. For the protection of members of the public who speak during the Public Session at a council meeting or committee meeting, it is proposed that in future a standard announcement should be made either on the agenda of the meeting, or in person by the Chair at the start of the meeting, that the proceedings may be recorded.

In addition, the National Association of Local Councils has recently published a Media Policy Example in light of the national rules changing with regards to filming and recording at local (parish and town) council meetings. A copy is appended to this report.

It is recommended that East Dean and Friston parish council should adopt a new Media Policy forthwith, following the NALC Example.
