

Gilberts Drive Protection of Verge

Proposal to install bollards to match the existing ones on the corner of the A259/Gilberts Drive using the CIL monies received by the Council.

The grass verge has been ruined by irresponsible parking on the verge so needs to be protected and re-turfed.

After discussion with SDNPA it has been determined that this is a suitable project for the use of CIL monies.

The SDNPA however has asked for sustainable timber bollards to be used.

Budget Costs as follows:-

4 No timber Bollards	4 x £91 = £364.00
Delivery Charge	£104.00
Licence from ESCC	1 x £400 = £400.00
Installation and turfing	1 x £250 = £250.00
Contingency	£132.00
TOTAL	£1250.00
