Minute 2052 Broadband – still no useful reply from BT. City Fibre has also gone quiet after I asked details about the cabinets! I'll continue to chase.

Minute 2140 August Recreation Ground rent. Budgeted £1080 for 25/26 year. £1000 paid in 2018/19 no two years the same since! I have invoiced 2024/25 at £853 as budgeted.

Minute 2159f Letter of Support issued to Cricket Club for MUGA.

Checked with WDC on Grant position. They are not able to confirm as yet that CLIF will not "clash" with other funding streams from WDC. The ward members' grants are included in this agenda

All other issues cleared as agreed
