

## **Agenda Item 10 August Agenda**

### **Actions from May Minutes (all others cleared)**

Minute 2052. Broadband. 21 Maps from BT examined and many cabinet shells identified. I have not been able to bet a definitive answer whether these can be connected direct to households and what the range is.

We have been approached by City Fibre which is a positive development and I hope to have news shortly.

### **Actions from June Minutes (1 only outstanding)**

Minute 2085 Internal auditor's report 3 recommendations. 2 remaining tasks completed August agenda

Minute 2086 Email communications with residents. Will be addressed once my "Outlook" issues remedied.

Minute 2091 Football posts August Agenda

Minute 2095C Rude Mechanical Theatre Company. August Agenda – charge to be set

### **Actions from July Minutes**

All items actioned or appearing on August Agenda
