Donation to Royal British Legion – VE Day

Following the recent VE Day celebrations the cricket club have agreed to donate £40 to the Royal British Legion.

The original proposal from the council was to donate £25 but in view of the CC donation perhaps we should this amount to £40 to match that donation.

Bucket collections will be added to the donation although these were low.

Proposal: To consider a donation to the RBL of £40 plus bucket collection amount.
