

### **Agenda Item 11 Oct Meeting – Pavilion Health and Safety**

Evidence of all H&S checks was presented to council at the August Meeting. Part of the Risk assessment for legionella indicated checks that needed to be undertaken, and these have now been completed as the accompanying scan shows.

On-going legionella checks will be undertaken in liaison between the Clerk and Cllr Fowler.

I have advised the Cricket Club of all checks done and forwarded certification where necessary. Diary notes have been made for regular extinguisher and electrical checks.

The Cricket Club has also been advised regarding the decision to postpone asbestos checks to the demolition stage.

### **Proposal Information Only**

Phil Burgess  
Clerk to East Dean and Friston
