

Agenda Item 13 Oct Meeting – Street Sign Cleaning

We have had a request to clean the street signs around the village. I have contacted ESCC regarding their policy and the response is attached.

They offer 2 alternatives:

1. Report individual dirty signs – a long process with no guarantee of action
2. An official arrangement with ESCC to take over sign cleaning. This will, most likely, involve a contractor with a licence to work on the Highway

Proposals: To consider a way forward

Phil Burgess

Clerk to East Dean and Friston
