

Agenda Item 14 July Meeting – Council Awards Scheme.

Cllr Seeley has arranged with the Village Hall to reserve Saturday 4th October for the event which has been initiated for the 25th Anniversary of the Village Hall.

Cllrs Baker and Seeley will report on arrangements to date including discussions at the Village Hall Trustee's meeting.

The format of the event needs to be finalised along with the financial arrangements so that the Village Hall at least achieves a break-even situation.

Proposal: to consider format and financing of the event.

Clerk to East Dean and Friston
