

Agenda Item 15 – Feb Meeting

Signage for Local Walks

In order to improve the tourist experience of the village and direct tourists to official footpaths it has been proposed that signs be displayed which link through to a webpage via a QR code.

The link could take the user through to our maps page [Local Walks | East Dean & Friston Parish Council](#) or a suitable alternative.

Proposal: To decide on the number and location of signage and the choice of web page.

Phil Burgess

Clerk to East Dean and Friston
