

Agenda Item 17 – Feb Meeting

Postponement of County Elections and May PC meeting date

Both Mayoral and County Councillor elections had been scheduled for Thursday May 7th.

As a result, May meetings of the Parish Council and The Annual Village Meeting had been re-arranged to Thursday 14th and Friday 15th respectively.

All elections have now been cancelled for the 7th May, leaving the date clear.

If our council meeting were to be held on the 7th it would facilitate minute preparation and spread meetings evenly.

Proposal: That the council meeting should revert to 7th May with the AVM remaining on Friday 15th

Phil Burgess

Clerk to East Dean and Friston
