

Agenda Item 17 Nov Meeting – 02 Mast at Water Tower Old Willingdon Rd

The diagram plan of change is attached.

Although I have not had definitive confirmation, it appears that this is a like-for-like replacement and will not improve reception in the village.

It is also worth noting that the email was copied to David Greaves who advised that a similar process was carried out in Wilmington with no improvement.

Proposal: Information only.

Phil Burgess
Clerk to East Dean and Friston
