## APPLICATION FOR GRANT ASSISTANCE FROM THE PARISH COUNCIL - 2018/19

### Full Name of Club / Organisation

East Dean & Friston Bowling Club

### Details of your Club / Organisation's requirements for financial assistance. If this is in connection with a specific project please provide full details, including any estimates you have received

We are planning to purchase a lawn mower suitable for sports grounds in order to perform our own mowing three times a week during the playing season. Doing so will reduce our current outgoing on green maintenance and help to improve the financial viability of our club. Expected cost is around £5600.

An added benefit will be to the environment as the proposed purchase will be battery powered and hence both cleaner and quieter to operate.

### Amount of Grant you wish to be considered for or leave blank if it is a general application

£ 2500

### Reasons why your Club / Organisation cannot meet the expenses as detailed above

Our clubs outgoings are currently around two to three times our income from memberships fees. We are currently surviving due to reserve funds but these are rapidly decreasing and will run out shortly without remedial action. Performing our own mowing will significantly reduce our outgoing on green maintenance.

### Any other relevant information in support of your Club / Organisation's application (including number of residents expected to benefit)

Our club is a not for profit organisation and is open to membership to all ED&F residents and beyond. Full membership currently stands around 30 plus around 15 social members.
