

### **Agenda Item 18 June Meeting – Suggested improvements for AVM**

The recently held Annual Village Meeting was poorly attended, and improvements could have been made to the organisation of the event.

Suggestions include:

1. Advertise using a large hoarding(s) within the village
2. Avoid a Friday Meeting
3. Chill the White wine!
4. Provide a better selection of wines and soft drinks
5. Create a fixed table plan
6. Have the public seating nearer the presenters

**Proposal:** To debate above suggestions and add points as required
