

Agenda Item 18 White Village Gates

“Village Gates” similar to those at the top of Windmill Lane can be teamed with speed limit signs and are effective in influencing drivers’ speeds by indicating that they are passing into a village from the open road.

Potential Sites for these (in pairs) are as follows:

1. Gilbert’s Drive 30 sign near Rec entrance (Village Sign also there)
2. Seaford Rd 40 sign about 150 metres from Jevington Rd Junction
3. Eastbourne Rd 40 signs near Downs View Rd Junction
4. Jevington Rd at Friston Sign

ESCC permission & a feasibility check would be required if the council should decide to proceed because of safety/sight line considerations.

Indicative styles and prices are shown on the following pages of this background paper. It should be noted that the prices are for a single flat-packed gate so the final price would be double that plus fitting and any ESCC cost. Roughly £3-£4000 for all 4 sites (Only £600 in the Path and Highway signs budget – any surplus from reserves)

Photographs of designs are also attached for reference and these cross-refer to the prices quoted. Gates are recycled, long-life, no maintenance plastic

Proposals: To consider installation of white village gates and, if approved, which of the above sites would be required.

Phil Burgess
Clerk to East Dean and Friston

Hi Phil,

Thanks for the enquiry.

We make the gates bespoke so we can make them to any size.

Please see guide prices below for gates of various sizes. Also attached

Photography of some of our previously supplied gates.

Picket Style

Village Gate Picket Style 1800mm high x 1500mm wide (Straight) – £405.00

Village Gate Picket Style 1800mm high x 1500mm wide x 1000mm (L shaped) – £475.00

Village Gate Picket Style 1500mm high x 1500mm wide (Straight)- £325.00

Village Gate Picket Style 1500mm high x 1500mm wide x 1000mm (L shaped) - £380.00

Village Gate Picket Style 1200mm high x 1000mm wide (Straight) - £175.00

Village Gate Picket Style 1200mm high x 1000mm wide x 900mm (L shaped) - £275.00

Prices exclude delivery & VAT

The Wiston Village gate on our website (and attached) is the *Village Gate Picket Style 1200mm high x 1000mm wide x 900mm (L shaped) - £275.00*

I have also attached an image of Pease Pottage Gate, which is higher and shows the scalloped picket design we also do.

We also supply Post & Rail style, examples attached along with price guide below.

3 Rail Village Gate Post & Rail Style 1300mm high x 800mm wide - £145.00

3 Rail Village Gate Post & Rail Style 1300mm high x 900mm wide - £145.00

3 Rail Village Gate Post & Rail Style 1300mm high x 1000mm wide - £145.00

3 Rail Village Gate Post & Rail Style 1300mm high x 1300mm wide - £155.00 Without cross bar

3 Rail Village Gate Post & Rail Style 1300mm high x 1400mm wide - £155.00 Without cross bar

3 Rail Village Gate Post & Rail Style 1300mm high x 1500mm wide - £155.00 Without cross bar

3 Rail Village Gate Post & Rail Style 1300mm high x 1000mm wide - £155.00 Without cross bar

4 Rail Village Gate Post & Rail Style 1200mm high x 1000mm wide - £165.00

Prices exclude delivery & VAT

All the gates are supplied flat packed and we do not offer install, we recommend finding a local installer to keep the costs down.

We supply the gate only but have the details of a sign company we have worked with in the past should you need signage, please see details below...
