

Agenda Item 19 July Meeting NP Training

At the December 2025 meeting, budget discussions concluded that councillor training specific to the East Dean and Friston Neighbourhood Plan, by consultant Alison Eardley, was not required.

The decision should have been recorded in the minutes at that time despite the fact that the budgetary effect did not relate to the 26-27 year.

For completion, this decision should be revisited and minuted.

Proposal: To revisit the above decision.

Phil Burgess

Clerk to East Dean and Friston
