

Agenda Item 20 Friston Hill Cycling Update

Minutes 2394 and update at 2413 (below) refer.

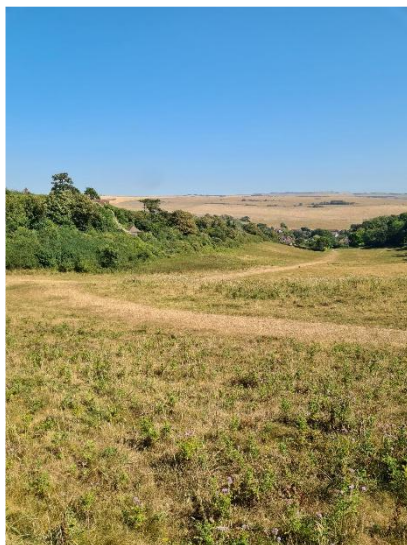

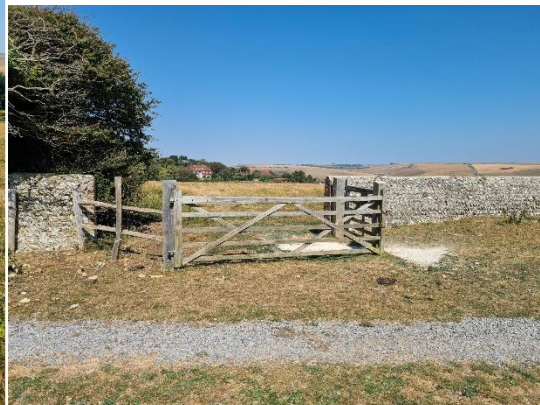

Signage for cyclists approved using existing posts on the condition that approval was obtained from the National Trust for signage at the Farrer Hall entrance to Hobbs Eares and replacement of the “kissing gate” for cycle access at the top of Hobbs Eares.

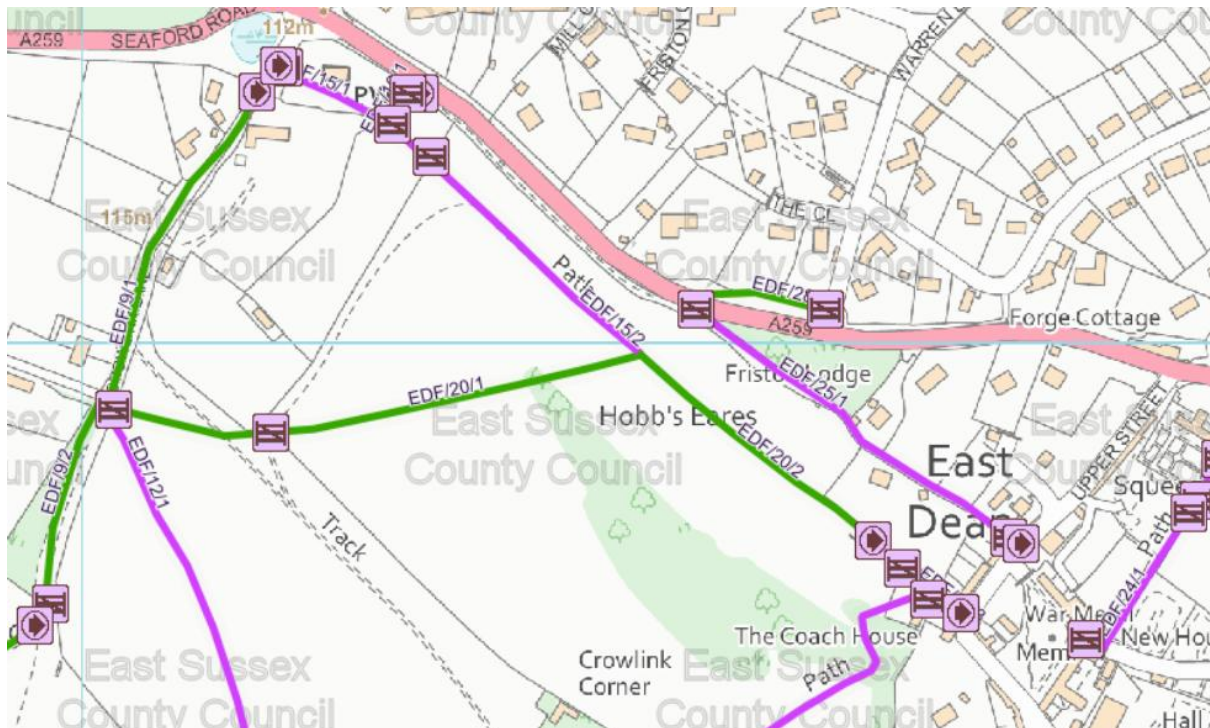

Meeting to be arranged on Hobbs Eares with Cllrs Morris and Hill and Dan Fagan of the NT

The following photographs show the path from Crowlink Lane (near NT Car park) through 2 accessible gates to Hobbs Eares.

View from 2nd gate

The above map shows the green footpath route through the 2 gates above.

Cllr Morris has agreed to take responsibility for the Cycling signage changes required.

Meeting to be arranged with Dan Fagan of National Trust & Cllrs Hill and Morris to consider kissing gate replacement at Friston Church or access through 2 gates as above.

Required signage on NT land also to be discussed

Proposals: Update for information
