

Agenda Item 20 - Aug Meeting

Parking

Following requests from residents the PCSO has been consulted.

Gilbert's Drive

PCSO Richie Davidson will attend the Wednesday Market to try and work out a solution to the congestion on that day. Double yellow lines are not appropriate.

Downlands Way (pavement obstruction)

Notices have been prepared by the clerk to place under wipers.

A suggestion from Cllr Hill is that a white line be painted to indicate the passing width required.

Proposal: To consider a white line and perhaps disability motif on the pavement to supplement notices.

Phil Burgess

Clerk to East Dean and Friston
