

## **Agenda Item 23 June Agenda**

### **Community Speedwatch**

A request has been received for the district co-ordinator for Speedwatch

"Dear Clerk

I am the District Administrator for East Sussex Community SpeedWatch (CSW), and our records show that the local CSW group has not been active for some time. I have been tasked with contacting such groups with a view to restarting them. I spoke to Paul Seeley, who tells me that if I contact you, it can be added to the next meeting of the Parish Council on the 5<sup>th</sup> June 2025, where it might be possible to find a new coordinator to rebuild the group. They will of course have our full support in this, and if possible, I or my colleague would like to attend that meeting to answer any questions that might arise.

In the meantime, I will be contacting the old members to see if they are still interested."

Kindest Regards

Richard Baldwin 44585

Mr Baldwin or a colleague would like to attend the meeting. I understand this was originally dropped as there were insufficient safe spaces for it to be carried out.

**Proposal: To consider re-instatement of the scheme in the village and nominate a local co-ordinator**

Phil Burgess

Clerk to East Dean and Friston
