

Agenda Item 27 Aug Meeting – NJC/NALC Recommended Pay Increases

We have received a notification from NALC regarding the above pay agreement.

“The National Joint Council for Local Government Services (NJC) has reached an agreement on rates of pay applicable from 1 April 2025 to 31 March 2026. We encourage employers to implement this pay award as soon as possible.”

The increase at Scale point 33 (my current scale) is £738.91 p.a.

When pension contributions and National Insurance are taken into account this represents an overall increase in council expenditure of £998.27

Figures quoted represent a full year.

Proposal: That the above pay award be considered.
