

## **Agenda Item 29 Aug Meeting – Digital Switchover**

Many of the residents affected by the forthcoming digital switchover are elderly and with a low level of computer literacy.

BT are offering on-line events which could be hosted in the Village Hall and give a large screen demonstration with opportunities for Q&As.

**To request a BT Digital switch over, online event in your area, contact:**

East England, London & South East – Chris Hockley - [Christopher.hockley@ee.co.uk](mailto:Christopher.hockley@ee.co.uk)

The audio-visual facilities within the hall should enable an informative session.

**Proposal:** To consider the council hosting an event in the Village Hall

Phil Burgess

Clerk to East Dean and Friston
