Dear Phil

Donation to Beachy Head Chaplaincy Team

I wanted to personally express my sincere gratitude for the donation of **£500** from East Dean & Friston Parish Council to the Beachy Head Chaplaincy Team. The donation is greatly appreciated and plays a fundamental role in supporting our mission.

Our primary objective at the Beachy Head Chaplaincy Team is to make a significant impact in reducing suicide rates at Beachy Head. Through our dedicated efforts, we are committed to reaching out and provide compassionate support, offering hope to individuals who find themselves in a state of crisis.

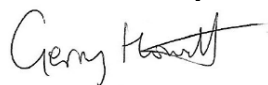

The donation directly contributes to the success of our work, enabling us to continue providing essential support to those who need it most. The generosity of East Dean & Friston Parish Council supporting us for another year, serves as a beacon of hope for those in despair, offering them a lifeline during their most vulnerable moments.

I would like to extend my deepest appreciation for the donation and for standing beside us in this important endeavour.

The support from you is invaluable to us and to those we strive to help. Thank you for making a difference.

Kind regards

Yours sincerely

Gerry Howitt
Chief Executive Officer
Beachy Head Chaplaincy Team
